Really, Really Important...

This Thursday, September 22, we cannot gather at Stony Creek for golf. There is an outing at Stony which will have the whole course for the whole day. Instead we have reserved multiple tee times starting at 8:30 AM for the 18 hole course (the championship course) at Hickory Hills Country Club, 8201 95th Street. The course cost for senior golfers for 18 holes with cart is \$38. There is a 9 hole rate for the championship course of \$37 (hahaha!). Hickory does have a 9 hole short course (par 30) which can be played (with cart) for \$20. If you plan on joining us for rounds on either course you must reserve by calling or texting either myself, Bill Parks - 708-267-1516, or by calling or texting Fred Metz - 708-972-8866 no later than Tuesday at noon and let us know if you are doing 18 or 9. This will allow us to make adjustments to the number of tee times and players. Hope lots of you will join us at Hickory Hills CC.

Pretty Darn Important...

Congratulation to this year's winners of our league championship.

Flight Winners (Most points during the year)

left to right: Jim Ethel (Subs), Bill Hawkins (Flight A), Leo Merenda (Flight C), Bill Parks (Flight B)

Team Championship (Best points for all three flights)

Left to right: Terry Luby, John Surwillo, Ted Kumzi

We had one great year with plenty of really fine golf weather, fun guys and really good matches. We added several new members to the

league which just added even more fun to the group. I join with all of our senior members in hoping that we continue to have the company of all who played in the league during the current season. Let's play two... oops or 9 or 18!

Also Important...

Shirts are still in process. As soon as they show up you'll be notified. Thanks for your patience.

Almost Important...

Thursday, September 29th we'll be back at Stony Creek. Please remember to let Fred know if you will be with us on that day.
