SLOLMGL Newsletter 9/17/23

Our season is over but the memories linger on. New friends, great rounds, lots of fun, and clean competition. What more could a friendly golfer want. Oh a championship? While we are all winners there can be only one team as champion.

Team Champs:

This year Team 5, Jack Carter, Ted Kumzi and Elton Thrun, showed up to take the 2023 crown.

Flight Winners: (below)

Al Delcourse
Jason Osterloh
John Surwillo
Bud Stalker

Congratulations to all our winners this year and to everyone who participated in our league - our regulars and our subs. You all made it a superior, I mean a super-duper year.

You can continue to play golf with our members every Thursday at Stony Creek until the snow flies. Sign up on the weekly tee sheet, or just keep coming out. We'll be there (unless these weekly emails tell you differently) each week. And while you're at it, bring a friend, maybe someone who is on the fence about joining our league. All are welcome.

This weeks tee sheet as it currently stands is attached. There are available holes available for players. If you did not get the chance to put your name on the sheet call me, text me, email me and let me know which time I can put your name in. Have a great week and see you on Thursday.
